

## **Partner with AIC Your Opportunity Awaits! AIC Policy Conference**

**What:** Artificial Intelligence & Robotics in Agri-food  
**When:** November 4 - 6  
**Where:** Delta Bessborough Hotel, Saskatoon, SK

Every year, experts in agricultural research, top government officials, industry representatives, entrepreneurs and members of the broader scientific community gather at AIC's conference.

The AIC Policy conference will focus on the increasing impact of artificial intelligence (AI) and robotics in the agri-food sector in Canada.

As the agri-food supply chain evolves, AI and robotics will have a crucial impact on Canada's agri-food sector's capacity to adapt, compete and lead.

Panels and presentations at AIC 2019 will focus on understanding the potential and the challenges posed by AI and robotics.

### **Why you should partner with AIC 2019:**

- Showcase your company's talent amongst decision makers & thought leaders
- Increase visibility of your products, services or brands to an influential audience
- Participate in important discussions that can influence policy direction
- Network with colleagues and attendees from across the country
- Meet new acquaintances with like-minded inter-disciplinary representatives and members
