

**Dr. Lauren Comin, PAg**  
**Director of Research**  
**Alberta Wheat and Barley Commission**

Dr. Lauren Comin is the current President of the Canadian Wheat Research Coalition, a position which rotates through the prairie provinces every three years. In addition, Lauren is the Director of Research for the Alberta Wheat Commission (AWC), which she represents at the CWRC, and for Alberta Barley. Lauren is active in several other research organizations, including the Canadian Barley Research Coalition and is the industry co-chair of the Results Driven Agriculture Research (RDAR) Advisory Committee. At the Alberta Wheat and Barley Commissions, Lauren oversees the research investment portfolios and the agronomy extension programming, a role she has enjoyed since 2013.
