RÉSEAU CANADIEN
D'INNOVATION EN
ALIMENTATION

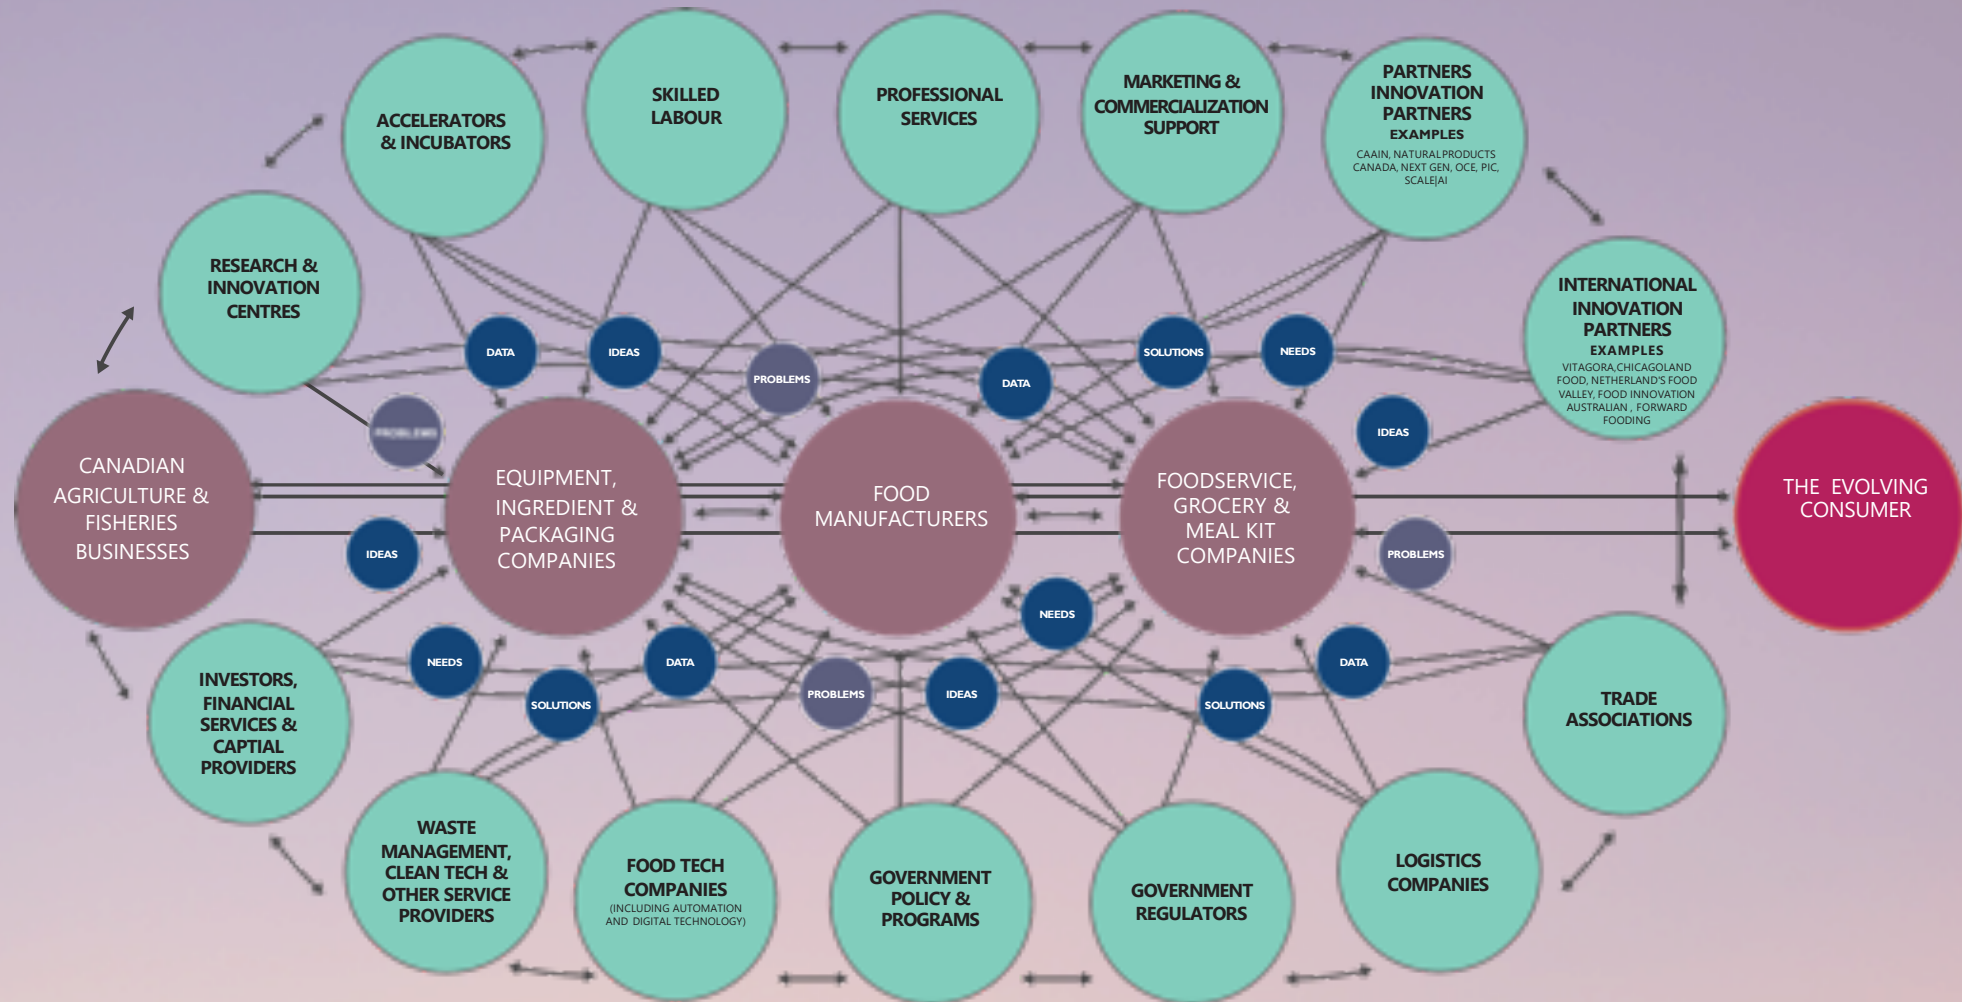

Canada's gateway to food innovation

Accelerating innovation across Canada's food ecosystem

CANADA'S FOOD ECOSYSTEM

A photograph of a bakery interior. In the foreground, rows of unbaked, oval-shaped bread rolls are arranged on a dark, possibly metal, conveyor belt or tray. The rolls are light-colored and appear soft. In the background, there are wooden racks filled with more bread, and the overall environment is industrial and well-lit.

Elevating business performance through innovation

INNOVATION PRIORITIES

- 🍁 Agile and safe supply chains
- 🍁 Food ecosystem sustainability
- 🍁 Smart product & process development

KEY ACTIVITIES

1. Innovation Ecosystem Development

- Regional Innovation Directors (Concierges)
- Innovation Connector Platform
- Member Outreach

2. Innovation Projects

- Grand Challenges
- Pitch Tanks
- Innovation Booster

INNOVATION ECOSYSTEM DEVELOPMENT

- ✓ Regional Innovation Directors (Concierges)
- ✓ Innovation Connector Platform
- ✓ Member Outreach

INNOVATION PROJECTS

- ✓ Grand Challenges
- ✓ Pitch Tanks
- ✓ Innovation Boosters

WHO SHOULD GET INVOLVED?

The network is open to organizations across Canada's food ecosystem including but not limited to:

Food and beverage manufacturers

Food tech, digital and other technology companies

Foodservice operators and distributors

Grocery retailers and distributors

Ingredient suppliers including agriculture and fisheries

Investors and financial services

Packaging and equipment companies

Research, technology and innovation centres

Service providers and specialized consultants

Start-ups and other early-stage companies

Superclusters, networks and trade associations

Trade media

THANK YOU!
