

Nazim Cicek, Ph.D., P.Eng.
Associate Dean Research, Faculty of
Agricultural and Food Sciences
University of Manitoba

Dr. Nazim Cicek is a Professional Engineer and Professor in the Department of Biosystems Engineering at the University of Manitoba. He is currently serving as Associate Dean Research for the Faculty of Agricultural and Food Sciences. Nazim received his M.Sc. in Chemical Engineering in 1995 and Ph.D. in Environmental Engineering in 1999 from the University of Cincinnati, OH. After working for 3 years in industry, he returned to academia. Nazim's research interests are in waste treatment, bioenergy and bio-polymer production, and anaerobic digestion. Nazim has authored over 130 peer-reviewed journal articles and presented his research in numerous international conferences.
